Program Descriptions

Swim Lessons

Splasher & Bubbler | Age: 3M - 36M

In this engaging class, parents will learn how to be safe and have fun in the pool with their child. This program will teach parents and their child through a variety of activities designed to grow and develop basic swimming skills so that children can be confident and prepared for independent swim lessons. Children who are not toilet trained must wear waterproof diapers.

Bobber & Floater | Age: 3Y - 5Y

Bob into YMCA Preschool Swim Lessons and open your eyes to the wonders of the water. Your child will learn basic safety rules and sounds while having fun in the water. Bobbers will blow bubbles while bobbing, learn how to float on their front and back while assisted and how to jump safely into the pool. Floaters will perform unassisted bobs and floats and front and back glides with kicks for 3 meters.

Glider & Diver | Age: 3Y - 5Y

Dive into the water and glide with the creatures of sea! Your child will progress from the skills achieved in Bobbers and Floaters and will be introduced to swimming on their front and back, as well as a variety of deep-water activities. Gliders will learn boating safety and deep water awareness. Gliders will also learn how to float, glide and support themselves in deep water. Divers will learn to support themselves in deep water for 10-seconds and how to swim on their front and back for 10-meters.

Otter & Seal | Age: 6Y - 12Y

With our first level of Learn to Swim, children learn to go under water, kick, roll and jump. They will gain confidence in their body awareness and swimming abilities. Otters will learn to swim underwater and glide unassisted on their front, back and side. Seal builds upon the Otter skills, continuing to work on Glides up to 5m and increasing comfort in deep water.

Dolphin & Swimmer | Age: 6Y - 12Y

These levels are designed to increase your child's swimming abilities, endurance and stamina; building on their increased confidence in deep water. Dolphins will coordinate arms, legs and breathing for smooth propulsion leading to front and back crawl. At the Swimmer level, participants will increase skills in front and back strokes, endurance and treading water for 40 seconds in deep water.

Star Program – 1 & 2 | Age: 6Y - 12Y

In Star 1, you will develop your front crawl and back crawl to the initial standard while also learning to whip kick on your back. Children will work towards completing a 75m distance swim and treading water for 2 minutes. In Star 2, you continue to develop front and back crawl, introducing breaststroke and an endurance swim of 100m.

Star Program – 3 & 4 | Age: 6Y - 12Y

In Star 3, participants will develop their front crawl and back crawl to an advanced standard over 50m. They will complete a 200-metre endurance swim and begin the lifesaving Societies Canadian Swim Patrol curriculum. Star 4 Builds further endurance to swim 100m in 3 minutes and covers drowning prevention, eggbeater, and continues the Swim patrol Curriculum.

Whether you are learning to swim for the first time, building confidence in the water, improving specific skills or strokes, or working toward a YMCA swim level, your instructor will help you progress at your own pace. Lessons focus on developing swimming skills, water safety and confidence in a supportive learning environment. Private lessons are suitable for swimmers of varying ages and abilities. **Looking for another lesson time?** Additional private lesson times may be available.
